

SBTCPS BREEDERS DIRECTORY

PLEASE READ CAREFULLY

The Staffordshire Bull Terrier Club of Puget Sound [hereinafter referred to as "SBTCPS"] maintains a Breeders Directory of SBTCPS members who have requested and paid a fee to be listed. These members are in good standing with the SBTCPS, but under no circumstances does the SBTCPS guarantee the services or dogs of any said member(s) nor does it assume any responsibility or liability regarding any agreements you may enter in with any of the breeders listed.

The SBTCPS does not recommend or endorse any one breeder, nor does it recommend, guarantee, or rate breeders or their stock. Buyers should perform due diligence on all matters relating to AKC registration, contracts, health, and quality before making any decision to purchase a dog.

The SBTCPS does not and cannot guarantee or accept any responsibility or liability of any kind for the quality, health, or temperament of any dog; nor for the warranty, guarantee, integrity, honesty, reliability, expressed or implied, by any SBTCPS member who requested to be included on this list.
